

Opium Wars

Please complete in the “Activities & Homework” section of your journal

1. What items/resources did the British want from the Chinese? Why were the Chinese unwilling to trade with the British.
2. Explain the tactic the British used to get the Chinese to begin trading with them? What did the Chinese Emperor do because of this
3. Explain what happened after the Chinese lost the War to the British? How did this series of events negatively impact the Chinese for many years afterwards?
