

# The US Joins In

- 1) Why did the United States originally want to stay out of the Great War?
- 2) What type of attacks had Germany been guilty of committing that were beginning to anger the Americans?
- 3) What was the Zimmerman Note? Who was it from? Who was it to? What did the note suggest? (Be specific)
- 4) Who “intercepted” this telegram and why was it important that the US ultimately joined the war effort?
